

Refund Policy

At Trustique Assist Services, we are committed to delivering high-quality website and application development solutions, including pre-built SaaS platforms and custom development services.

This Refund Policy outlines the terms regarding payments and refunds for all services offered by Trustique Assist Services.

1. No Refund Policy

All payments made to Trustique Assist Services are strictly non-refundable.

Once the payment has been received and the project has been initiated, no refund requests will be accepted under any circumstances, including but not limited to:

- Change of mind after payment
- Change in business plans
- Delay caused by the client
- Client not providing required information or materials
- Client deciding not to continue the project
- Dissatisfaction after development has begun

By making payment to Trustique Assist Services, the client acknowledges and agrees to this No Refund Policy.

2. Service Commitment

Trustique Assist Services guarantees that all services and deliverables promised at the time of agreement or quotation will be provided to the client.

Deliverables may include but are not limited to:

- Mobile applications (Android / iOS)
- Website or web platform
- Admin panel or dashboard
- Source code (if included in agreement)
- Technical deployment support
- Bug fixing during the agreed maintenance period

3. Project Execution

Once payment is received:

- The project will be scheduled and development will begin.
- The client must provide all required content, details, branding materials, and approvals on time.

- Any delay caused by the client will not make the project eligible for a refund.

4. Third-Party Services

Trustique Assist Services may integrate third-party tools, APIs, hosting services, payment gateways, or external platforms.

Please note:

- Third-party service charges are not controlled by Trustique Assist Services.
- Any payment made for third-party services is non-refundable and subject to the policies of the respective service provider.

5. Project Cancellation

If the client decides to cancel the project after payment:

- The project will be considered voluntarily terminated by the client.
- No refund will be issued.
- Any completed work or partially developed modules may be shared at the discretion of Trustique Assist Services.

6. Agreement Acceptance

By making payment to Trustique Assist Services or starting a project with us, the client confirms that they have:

- Read this Refund Policy
- Understood the terms
- Agreed to the No Refund condition
